MATERIAL SAFETY DATA SHEET

MSDS #: CT: FH/O/2005/ASAM-6CCNRJ

Issue Date: 11/3/2005

Supersedes:

Issue Date:

SECTION I - PRODUCT IDENTIFICATION

Identity: **Febreze NOTICEables**

Brands:

Hazard Rating: 2 Health: **1** 4= EXTREME
Flammability: **2** 3= HIGH
Reactivity: **1** 2= MODERATE

1= SLIGHT

0= NO SIGNIFICANT HAZARD

Emergency Telephone Number: 1-800-699-4657 or call Local Poison Control Center (I added the number from the package)

SECTION II - COMPOSITION AND INGREDIENTS

Ingredients/Chemical Name: The finished perfumes contained in this product are composed of many ingredients, some of which contribute to the potential hazards of the mixtures if they are spilled from their container and come into contact with eyes and skin (e.g., combustibility, potential eye and skin irritancy, potential skin sensitization from repeated or prolonged contact). Although the specific identities of these ingredients are not included on this MSDS due to proprietary considerations, the precautions described herein are sufficient to handle minimal quantities of these materials safely when followed.

SECTION III - HAZARDS IDENTIFICATION**Health Hazards (Acute and Chronic):**

- Ingestion:** Contents harmful if swallowed. This is expected to be a highly unusual route of exposure for this product. Amounts that may be swallowed as a result of workplace handling are not likely to cause injury.
- Eye Contact:** Contact causes mild irritation.
- Skin:** Moderately irritating to the skin. Prolonged / repeated contact may result in skin sensitization.
- Inhalation:** Prolonged high level exposures may cause slight drowsiness, headache and / or mild respiratory tract irritation.

Signs and Symptoms of Exposure:

- Ingestion:** May cause minor Gastrointestinal upset such as vomiting. May cause nausea.
- Eye Contact:** May cause redness or stinging of eyes.
- Skin:** Prolonged contact may cause itching or dryness of skin.
- Inhalation:** May cause mild symptoms of nose or throat irritation or congestion.

SECTION IV - FIRST AID INFORMATION**Emergency and First Aid Procedures:**

- Ingestion:** "Do NOT" induce vomiting. Call a physician or local Poison Control Center ASAP.
- Eye Contact:** Immediately flush eyes with water for at least 15 minutes. Call a physician, if symptoms persist.
- Skin:** Remove any contaminated clothing or shoes. Thoroughly wash affected areas with soap and water. Flush with large quantities of water. If irritation develops or persists, call a physician.
- Inhalation:** If exposed to excessive levels, get fresh air. If symptoms persist, contact a physician.

SECTION V - FIRE FIGHTING INFORMATION

- Flash Point:** Range: 152-178°F (66-82°C) **Explosive Limits:** LEL:N.K. UEL: N.K.
- Method Used:** PM Closed Cup
- Extinguishing Media:** CO2, water, or dry chemical may be used.
- Special Fire Fighting Procedures:** N/K
- Unusual Fire Hazards:** N/K
- Stability** *Unstable:* *Conditions to Avoid:* Do not use near open flames
 Stable:
- Incompatibility (Materials to Avoid):** NK
- Hazardous Decomposition/By Products:** NK
- Does this product support combustion?** Spilled contents will burn if involved with a fire.
- Hazardous Polymerization:** NK *Conditions to Avoid:* ■

SECTION VI - ACCIDENTAL RELEASE MEASURES

Personal Precautions: Avoid contact of contents with skin and eyes. Wear rubber gloves. If entire contents of the product are spilled, vapors and odor may be strong enough that a respirator equipped with organic vapor cartridges may be needed. Provide maximum ventilation in the area of the spill to disperse vapors.

Environmental Precautions: DISPOSAL IS TO BE PERFORMED IN COMPLIANCE WITH ALL FEDERAL, STATE, PROVINCIAL AND LOCAL REGULATIONS. Contain all spills

Steps To Be Taken in Case Material is Released or Spilled: Wipe up with paper towel or cloth.

SECTION VII - HANDLING AND STORAGE

Precautions To Be Taken in Handling and Storing: Ensure good ventilation / exhaust at the workplace.

Other Precautions: Store in cool, dry, well ventilated area. Do not use around open flame. Keep warmer away from furniture, fabrics, bedding, and other materials, which might present a fire hazard.

SECTION VIII - EXPOSURE CONTROLS, PERSONAL PROTECTION

Respiratory Protection (Specify Type): If entire contents of the product are spilled, vapors and odor may be strong enough that a respirator equipped with organic vapor cartridges may be needed.

Ventilation: *Local Exhaust:* N/A

Special: N/A

Mechanical (General): Workplace should have sufficient general ventilation to disperse vapors in the event of a spill of the contents of this product.

Other: N/A

Eye Protection: If product contents are spilled and splash potential exists, use of chemical goggles is recommended.

Protective Gloves: Avoid skin contact. Use rubber gloves for direct contact. Contaminated clothing and footwear should be removed and thoroughly cleaned before reuse.

Other Protective Equipment: N/A

SECTION IX - PHYSICAL AND CHEMICAL PROPERTIES

Boiling Point (°F): Unknown

Specific Gravity (H₂O=1): N.K

Vapor Pressure (mm Hg): 0.165-0.728 mm Hg @ Ambient T

Percent Volatile by Volume (%): 100

Vapor Density (Air=1): N.K.

Evaporation Rate (nBuOAc=1): N.K

Odor Threshold: N.K.

Freezing Point: N.K

Coefficient of Water/Oil Distribution: N.K

pH N.K. [REDACTED]:

Viscosity: N.K

Reserve Alkalinity NA [REDACTED]:

Scooped Density: N/A

Solubility in Water: N.K

Appearance and Odor: Clear to yellow fluid. Perfume.

Physical State: Liquid

SECTION X - STABILITY AND REACTIVITY

Possible Hazardous Reactions/Conditions: Stable under ambient conditions. Does not undergo violent exothermic reactions at elevated temperatures or pressures.

Conditions to Avoid: Avoid ignition sources and open flames.

Materials to Avoid: Avoid contact with strong oxidizers.

Hazardous Decomposition Products: Carbon monoxide and other products of combustion will be generated if the contents of this product is involved in a fire situation.

Other Recommendations: N.K

SECTION XI - TOXICOLOGICAL INFORMATION

This perfume is a mixture of materials carefully formulated to comply with the International Fragrance Association (IFRA) and Procter & Gamble guidelines regarding their safe use in consumer products. The health hazards and precautions described herein are supplied as a requirement of 29 CFR 1910.1200, and are based on the toxicity of individual components, and testing of this or similar mixtures. As a class, this perfume and other Procter & Gamble perfumes are expected to be very low in oral and dermal toxicity, but high exposures can cause transient eye, skin, and respiratory irritation.

Chronic Toxicity: No systemic effects expected.

SECTION XII - ECOLOGICAL INFORMATION

General Information: Environmental Fate and effects of this material have not been well characterized. Appropriate care should be taken to insure proper disposal in workplace settings.

SECTION XIII - DISPOSAL CONSIDERATIONS

Waste Disposal Method: DISPOSAL IS TO BE PERFORMED IN COMPLIANCE WITH ALL FEDERAL, STATE, PROVINCIAL AND LOCAL REGULATIONS.

SECTION XIV - TRANSPORT INFORMATION

■ Liquid contents are regulated product if shipped in bulk, in excess of 119 gallons in a single container.

SECTION XV - ADDITIONAL REGULATORY INFORMATION

■ ■
All ingredients are CEPA approved for import to Canada by Procter & Gamble. This product has been classified with Hazard Criteria of the Canadian Controlled Products Regulation (CPR) and this MSDS contains all information required by the Canadian Products Regulation.

All ingredients are on the US TSCA Inventory

US Prop 65: not regulated

SECTION XVI - OTHER INFORMATION

**N/A. - Not Applicable

**N/K. - Not Known

Data supplied is for use only in connection with occupational safety and health.

The information contained herein has been compiled from sources considered by Procter & Gamble to be dependable and is accurate to the best of the Company's knowledge. The information relates to the specific material designated herein, and does not relate to the use in combination with any other material or any other process. Procter & Gamble assumes no responsibility for injury to the recipient or third persons, for any damage to any property resulting from misuse of the controlled product.
